

Technical Helplines

Listed below are some useful contact details for manufacturers whose products are featured in this catalogue.

Fernox/Fry

Tel 0870 601 5000 Fax 0870 601 5005

Grundfos Pumps

Tel 01525 775400 Fax 01525 850011

Hep2o

Tel 0870 460 5578 Fax 0870 460 5579

Invensys

Tel 0845 130 5522 Fax 0845 130 0622

John Guest/Speedfit

Tel 01895 425333 Fax 01895 425350

Manrose

Tel 01753 876908 Fax 01753 692294

McAlpine and Company

Tel 0141 882 3213 Fax 0141 883 5697

Multikwik

Tel 0208 855 9851 Fax 0208 317 7764

Saniflo

Tel 0208 842 1670 Fax 0208 842 1671

Plasson

Tel 01444 244446 Fax 01444 258683

Thomas Dudley

Tel 0121 530 7032 Fax 0121 557 5345

Sentinel

Tel 01928 588330 Fax 01928 558368

Opella

Tel 01432 357331 Fax 01432 264014

Fluidmaster

Tel 01275 848843 Fax 01275 817437

Glossary

BBA

British Board of Agreement. Assessment of products in the construction industry.

BEAB approved

International electrical manufacturers standard.

BS EN 1057

Specification for copper & copper alloy seamless tubes for jointing pipes in water, gas, sanitary & heating applications.

BS EN 1254-1

Endfeed & Solder Ring Standard.

BS EN 1254-2

Compression Fittings Standard.

BS EN 215

Requirements & test methods for Thermostatic radiator valves.

BS-EN751-2 Class A

Standard for jointing materials with natural gas, lpg, low pressure steam & non potable water.

BS 1010

Specification standard for draw off & above ground stop valves.

BS 1212 Part 3,4

Pressure, endurance & backflow prevention standard.

BS 1213

108...114mm spigot size standard. Old style pans.

BS 2767

Specification standard for copper alloy manually operated radiator valves.

BS 2879

Specification standard for screw down drain off cocks.

BS 5154

Specification standard for copper alloy stop, check & gate valves.

BS 5254

Specification for Polypropylene waste pipe & fittings.

BS 5255

Specification for Thermoplastic waste pipe & fittings.

BS 5509/4

97...108mm spigot size standard. Horizontal spigots.

BS 6956 Part 5

Standard for jointing materials in contact with drinking water.

BS 7921

General requirements for thermoplastic pipes & fittings for hot & cold domestic purposes & heating installations.

BS 7786

Standard for pipe thread seal tape.

BSI Registered Firm

This is a certificate of competency tested & awarded by the British Standards Institute.

BSP

British Standard Pipe thread.

BSPT

British Standard Pipe thread Tapered.

Bye Law 30

Water bye law regulating the safe storage of water in tanks.

CW 617

European Standard Brass.

c/w

Complete with.

DZR

De zincification resistant.

EN 60 335-80:1997

Electrical component warranty.

EN 60335:1994 +A1, A11, to A14

Electrical insulation safety standard.

HP

High pressure.

ISO 9001/2000

Quality assurance scheme.

Kitemarked

Denotes those products which have a certificate of competence as tested by the British Standards Institute.

K.I.W.A

European Standard for Plumbing Fittings.

LP

Low pressure.

LPG

Liquified Petroleum Gas.

NBR

Nitrile Rubber.

pn 16

WRAS test approval.

P.O.A.

Price on application.

PRS 10

British Gas specification for sealing tapes.

PTFE

Poly Tetra Fluoro Ethylene.

Table 'X' Copper Pipe

Half hard lengths of copper tube.

Table 'Y' Copper Pipe

Soft coils of copper tube.

WRAS

Water Regulations Advisory Service.
